

CIM Physicians: The Heart and Soul of the Cardiovascular Institute

A nationwide search for the best, most appropriately trained staff yielded a wealth of respected physicians eager to work in our state-of-the-art facility and, more to the point, in an area so desperately in need of advanced cardiovascular care. We believe the experience and unique skill sets of our assembled team to be quite impressive, even by considerably larger market standards.

Cardiologists:

[Carl Feind, M.D.](#)

A [li Homayuni, M.D.](#)

[Christos Kasapis, MD](#)
