

## St. Luke Home Health Agency: Informational Video

{flv}st-lukes-2011|320|240|0{/flv}

**You Open Your Home, We Open Our Hearts.**

Whether you're transitioning from a hospital stay, recovering from an injury, need occasional assistance from a care provider or simply looking for long-term care facility services, we've got you covered. St. Luke Home Health & Hospice can provide in-home care services tailored to your situation, no matter your age.

Our skilled professionals work with your doctor to deliver the compassionate care you need in the environment where you feel most comfortable - your home.

Serving these counties: Pike, Arroyo, Franklin, Lincoln, Copiah, Lawrence, Marshall, Covington, Boone, Lenoir, and Evans, Morgan and Gretna.

- Skilled Nursing Care
- Certified Home Care
- Occupational Therapy
- PT Therapy
- Speech Therapy
- Podiatry
- Wound, Ostomy & Bowel Management
- Low Vision Program
- In-home Medication Management & Drug/Liquid Dispensing

Hospice services including advanced pain and symptom control, and all medications and equipment related to your terminal diagnosis are provided at no cost to you.

**Serving the Home Health and Hospice Needs of Patients of All Ages.**
